

26th Annual Carolina Cup

October 2–4, 2026 • Columbia & Irmo, South Carolina

Welcome to our Carolina Cup guide. We put this together so everything about the weekend — travel, lodging, the venue, and what we're still waiting on from the tournament — lives in one place instead of scattered across emails and the group chat. As the tournament releases more information, we'll send updated versions of this same guide.

2. Parent Action Items

DO THIS NOW

☐ Book your hotel

Rates re-checked live for October 2–4 on **September 26, 2026**, and every distance and drive time re-verified the same day with the Google Routes API. The schedule is published, so each team has **its own five-hotel list in Section 6** for its own complex — do not copy another team's list.

ACTION REQUIRED

☐ Complete online check-in

The accepted team list posted on September 14 and Savannah United 17/18B Premier is confirmed on it. SCUFC states that online check-in is open and that teams should start it **immediately**. There is **no on-site check-in** at this event, so this cannot be handled at the field. Re-verified September 18, 2026.

BRACKET POSTED — SEPTEMBER 16

☐ Know who is in your bracket

Our division is **Under 09 Boys Red Division**. Section 3 lists every team we could meet. The game-by-game schedule — pairings, kickoff times, fields and complexes — is published and verified; Section 5 has each family's departure time for every game.

BEFORE LEAVING HOME

☐ Pack using the checklist

Section 12 has the full list. The live outlook puts the Midlands near 80°F Saturday and 73°F Sunday, with a 72% chance of showers and thunderstorms on Saturday and 89% on Sunday; the ten-year pattern swings from about 63°F in the morning to around 80°F in the afternoon — bring layers, heat gear and a rain shell.

BEFORE LEAVING HOME

☐ Review the tournament rules

SCUFC has not published the 2026 rules document yet. Section 13 explains what we know and what we're still waiting on.

4. Tournament Overview

The Carolina Cup is run by South Carolina United FC and is now in its 26th year. It draws teams from across the Southeast to five complexes across the Columbia and Irmo area, and it has been one of the region's larger youth soccer weekends for a long time. Our U9 team will play 7v7.

Rules document:
Not published publicly for 2026. SCUFC keeps its event documents (rules, check-in, forms) in [SincSports Team Documents](#), which opens with a team login, and sends them to team managers — ask your team manager for the rules document.

5. Travel & Arrival Planning

Drive from Savannah

Route: US-17 North → I-95 North (about 80 miles) → I-26 West (about 67 miles) → US-76 into Irmo.

Total: ~169 miles. Routing re-verified September 18, 2026 (168.9 mi / 3h 12min, free-flow).

Scenario	Time	Notes
Free-flow driving	~3h 15min	Routing engine, no stops
With a fuel and rest stop	~3h 35min	Add ~20 min
Friday evening traffic	~4h 00min	Add ~45 min

Why the first number is the real one: the free-flow figure of ~3h 15min is the routing calculation for the most direct route with no stops. The 3h 35min and 4h 00min figures are our own additions for a rest stop and for Friday evening traffic — they are planning buffers, not separate route measurements.

Player Report Time

Game	Kickoff	Arrive	Depart Savannah
------	---------	--------	-----------------

Saturday, October 3 vs CESA U9B Pre ECNL-RL Summit 1 Field 2A	10:30 AM EDT	9:45 AM	6:30 AM
Saturday, October 3 vs CFA 17/18 Red Field 2B	3:30 PM EDT	2:45 PM	11:30 AM
Sunday, October 4 vs SCUFC U9 Boys Blue Field 2B	10:30 AM EDT	9:45 AM	6:30 AM

Arrival is 45 minutes before kickoff. Departure is calculated from Savannah using the verified drive time of about 3h 15min (169 miles). If you are staying overnight near the venue, leave your hotel instead and ignore the departure column.

Parent Manager Recommendation: An overnight stay avoids a pre-dawn Saturday drive. Two nights (Friday October 2 and Saturday October 3) is the pattern most traveling families use for this event.

6. Lodging

7. Weather & Heat Planning

Live forecast, fetched October 3, 2026 from the National Weather Service for Irmo / Columbia. Saturday October 3: high **80°F** with a **72%** chance of showers and thunderstorms — our busiest day, every team plays twice today, with storms likely through the night (78%). Sunday October 4: high **73°F** with an **89%** chance of showers and thunderstorms, 65°F overnight.

Longer-range pattern — ten-year observed, not a forecast

Afternoon high	Around 80°F on average — has reached 95°F
Morning low	Around 63°F — noticeably cool at the first game
Rain	Roughly a 1-in-6 chance of measurable rain on any given day
Sun	Strong — open complexes with limited shade
Best games	Morning games are meaningfully cooler than afternoon

What this means for packing

This is a two-wardrobe weekend. Bring the heat gear — water, electrolytes, sunscreen, cooling towels — but also bring a jacket or warm layer for early mornings and a rain shell, because October in the Midlands is not August. Start hydrating the day before travel.

Forecast rows: live National Weather Service outlook for Irmo / Columbia, fetched October 1, 2026. Pattern rows: ten years of recorded daily observations for Columbia, SC

This section will be updated once our coaches release arrival times, uniform details, and any team-specific instructions.

Parents do not need to act on these items — they are for reference once confirmed by the coaching staff.

11. Player Guidance

Tournament weekends are exciting and demanding for young players. A few practical reminders.

- Prioritize sleep — early bedtimes Friday and Saturday
- Keep meals familiar — not the weekend for new foods
- Bring simple, preferred snacks
- Encourage steady hydration through the day
- Limit exhausting hotel-pool activity before games
- Bring quiet activities for downtime between games
- Expect physical and emotional fatigue
- Keep postgame conversations positive and brief
- Let coaches handle the soccer instruction
- Emphasize effort, teamwork, learning, and fun

13. Tournament Rules

Pending Confirmation

SCUFC has not published the 2026 Carolina Cup rules document. Game length, mercy rule, substitution rules, and the tiebreaker order are all still unconfirmed for this year. **We will not guess at these.** As soon as the rules are published we'll add the full breakdown — including the complete tiebreaker hierarchy — to this section and resend the guide.

What we do know

Format	7v7 for U8–U10 age groups
Age groups	U8–U19, boys and girls
Levels	Recreational, Intermediate, Advanced
Sanctioning	US Youth Soccer affiliated (SC Youth Soccer)
Check-in	Online only — no on-site check-in

How group ties are decided

Group play is decided on points. The tournament's own results page states that where teams finish level on points it applies its tiebreaker rules in order until the tie is broken, and that anything still level is broken manually by the tournament director. **The tiebreaker order itself is only published on that page once games have been played**, and the event's rules document sits behind the team login in SincSports Team Documents — so this guide does not print an order borrowed from other events. 15. Weekend Itinerary

Friday, October 2

Travel day for most families. Leave Savannah by early afternoon — about 3h 15min in free-flow conditions.

Saturday, October 3 — Group Play

10:30 AM EDT vs CESA U9B Pre ECNL-RL Summit 1 • Field 2A — arrive 9:45 AM

3:30 PM EDT vs CFA 17/18 Red • Field 2B — arrive 2:45 PM

Sunday, October 4 — Group Play

10:30 AM EDT vs SCUFC U9 Boys Blue • Field 2B — arrive 9:45 AM

Between-Games Rhythm

Saturday is a 10:30 AM and 3:30 PM double. The match runs about 65 minutes, so you have roughly 3 hours free in between at the same complex — enough to eat properly and cool down without leaving the area.

Final whistle ~11:35 AM

After game #703 on Field 2A.

Cool down + shade 11:35 AM

Ballentine has shade near the parking side. Change socks and shirts now, not later.

Real lunch, real sitting 12:00 PM

Eat within 30 minutes of the whistle while muscles are still warm — a proper meal, not snacks. Anywhere in Irmo/Ballentine; the Irmo cluster is 5-10 minutes away.

Quiet hour 1:00 PM

Shade, feet up, screens down. A 30-45 minute rest in the car with A/C does more for a 9-year-old than any drill.

Rehydrate + light warm-up 2:15 PM

Water and electrolytes sipped steadily from 1:00 PM — not a bottle all at once.

Back for game #706 2:45 PM

Field 2B. Parking is busiest about 30 minutes before kickoff.
