

26th Annual Carolina Cup

October 2–4, 2026 • Columbia & Irmo, South Carolina

Welcome to our Carolina Cup guide. We put this together so everything about the weekend — travel, lodging, the venue, and what we're still waiting on from the tournament — lives in one place instead of scattered across emails and the group chat. As the tournament releases more information, we'll send updated versions of this same guide.

2. Parent Action Items

DO THIS NOW

☐ Book your hotel

Re-checked live on September 18, 2026. Our top pick is now the Country Inn & Suites at Harbison at **\$161 per night**; the Hampton Inn Harbison did not come back as available and we have withdrawn it. See Section 6 for the full list.

ACTION REQUIRED

☐ Complete online check-in

The accepted team list posted on September 14 and Savannah United 16/17B Premier is confirmed on it. SCUFC states that online check-in is open and that teams should start it **immediately**. There is **no on-site check-in** at this event, so this cannot be handled at the field. Re-verified September 18, 2026.

BRACKET POSTED — SEPTEMBER 16

☐ Know who is in your bracket

Our division is **Under 10 Boys Red Division**. Section 3 lists every team we could meet. The game-by-game schedule — pairings, kickoff times and fields — posts September 26; we'll send the updated guide with calculated departure times for each family.

BEFORE LEAVING HOME

☐ Pack using the checklist

Section 12 has the full list. Early October in the Midlands swings from about 63°F in the morning to around 80°F in the afternoon — bring layers as well as heat gear.

BEFORE LEAVING HOME

□ Review the tournament rules

SCUFC has not published the 2026 rules document yet. Section 13 explains what we know and what we're still waiting on.

4. Tournament Overview

The Carolina Cup is run by South Carolina United FC and is now in its 26th year. It draws teams from across the Southeast to five complexes across

the Columbia and Irmo area, and it has been one of the region's larger youth soccer weekends for a long time. Our U10 team will play 7v7.

5. Travel & Arrival Planning

Drive from Savannah

Route: US-17 North → I-95 North (about 80 miles) → I-26 West (about 67 miles) → US-76 into Irmo.

Total: ~169 miles. Routing re-verified September 18, 2026 (168.9 mi / 3h 12min, free-flow).

Scenario	Time	Notes
Free-flow driving	~3h 15min	Routing engine, no stops
With a fuel and rest stop	~3h 35min	Add ~20 min
Friday evening traffic	~4h 00min	Add ~45 min

Why the first number is the real one: the free-flow figure of ~3h 15min is the routing calculation for the most direct route with no stops. The 3h 35min and 4h 00min figures are our own additions for a rest stop and for Friday evening traffic — they are planning buffers, not separate route measurements.

Player Report Time

Game	Kickoff	Arrive	Depart Savannah
Saturday, October 3 vs Willex Football Academy U10 Field 8	11:45 AM EDT	11:00 AM	7:45 AM
Saturday, October 3 vs Queen City Mutiny U10 Gold Field 7	6:00 PM EDT	5:15 PM	2:00 PM
Sunday, October 4 vs TFC 16/17B Ibis I GA Field 3	9:15 AM EDT	8:30 AM	5:15 AM

Arrival is 45 minutes before kickoff. Departure is calculated from Savannah using the verified drive time of about 3h 15min (169 miles). If you are staying overnight near the venue, leave your hotel instead and ignore the departure column.

Parent Manager Recommendation: An overnight stay avoids a pre-dawn Saturday drive. Two nights (Friday October 2 and Saturday October 3) is the

pattern most traveling families use for this event.

6. Lodging

Distances are Google Maps driving distances from each hotel's verified street address to Polo Road Park, checked on the dates shown. 7. Weather & Heat Planning

We are nearly three weeks out, so a daily forecast is not yet meaningful. What follows is what early October has actually looked like in Columbia over the past ten years, so families can plan clothing and hydration sensibly.

Typical early-October conditions in Columbia

Afternoon high	Around 80°F on average — has reached 95°F
Morning low	Around 63°F — noticeably cool at the first game
Rain	Roughly a 1-in-6 chance of measurable rain on any given day
Sun	Strong — open complexes with limited shade
Best games	Morning games are meaningfully cooler than afternoon

What this means for packing

This is a two-wardrobe weekend. Bring the heat gear — water, electrolytes, sunscreen, cooling towels — but also bring a jacket or warm layer for early mornings and a rain shell, because October in the Midlands is not August. Start hydrating the day before travel.

Based on ten years of recorded daily observations for Columbia, SC. **Check the actual forecast around September 28–30** for reliable day-by-day conditions. Source data: Open-Meteo historical archive (2016–2025).

11. Player Guidance

Tournament weekends are exciting and demanding for young players. A few practical reminders.

- Prioritize sleep — early bedtimes Friday and Saturday

- Limit exhausting hotel-pool activity before games
- Bring quiet activities for downtime between games
- Expect physical and emotional fatigue
- Keep postgame conversations positive and brief
- Let coaches handle the soccer instruction

15. Weekend Itinerary

Friday, October 2

Travel day for most families. Leave Savannah by early afternoon — about 3h 15min in free-flow conditions.

Saturday, October 3 — Group Play

11:45 AM EDT vs Willex Football Academy U10 • Field 8 — arrive 11:00 AM

6:00 PM EDT vs Queen City Mutiny U10 Gold • Field 7 — arrive 5:15 PM

Sunday, October 4 — Group Play

9:15 AM EDT vs TFC 16/17B Ibis I GA • Field 3 — arrive 8:30 AM

Between-Games Rhythm

Saturday is an 11:45 AM and 6:00 PM double at Polo Road — the biggest gap of our four teams at roughly 4 hours 25 minutes. That is long enough to leave the complex, eat a proper meal and rest before coming back for the evening game.

Final whistle ~12:50 PM

After game #126 on Field 8.

Lunch inside 30 minutes 1:15 PM

Eat properly close to the whistle. Northeast Columbia has the widest choice — the Fort Jackson/Polo Road area is a short drive.

Hotel or A/C rest 2:00 PM

This is the game where a hotel room pays off: two hours out of the heat with feet up before the evening kickoff.

Cool down + change kit 3:30 PM

Fresh shirt and socks. Evening games at Polo Road carry humidity once the sun drops.

Eat again, light 4:15 PM

Small carbohydrate snack + electrolytes about 90 minutes before kickoff — not a full meal.

Back for game #128 5:15 PM

Field 7. Traffic on Two Notch Road builds after 5:00 PM.
