

26th Annual Carolina Cup

October 2–4, 2026 • Columbia & Irmo, South Carolina

Welcome to our Carolina Cup guide. We put this together so everything about the weekend — travel, lodging, the venue, and what we're still waiting on from the tournament — lives in one place instead of scattered across emails and the group chat. As the tournament releases more information, we'll send updated versions of this same guide.

4. Tournament Overview

The Carolina Cup is run by South Carolina United FC and is now in its 26th year. It draws teams from across the Southeast to five complexes across the Columbia and Irmo area, and it has been one of the region's larger youth soccer weekends for a long time. Our U9 team will play 7v7.

5. Travel & Arrival Planning

Drive from Savannah

Route: US-17 North → I-95 North (about 80 miles) → I-26 West (about 67 miles) → US-76 into Irmo.

Total: ~169 miles. Routing verified September 13, 2026.

Scenario	Time	Notes
Free-flow driving	~3h 15min	Routing engine, no stops
With a fuel and rest stop	~3h 35min	Add ~20 min
Friday evening traffic	~4h 00min	Add ~45 min

Why the first number is the real one: the free-flow figure of ~3h 15min is the routing calculation for the most direct route with no stops. The 3h 35min and 4h 00min figures are our own additions for a rest stop and for Friday evening traffic — they are planning buffers, not separate route measurements.

Player Report Time

Pending Confirmation. Game times are released September 24. Once we have them, we'll calculate each family's departure time so players arrive at the field **45 minutes before kickoff** for check-in, warm-up, and coach instructions.

Parent Manager Recommendation: An overnight stay avoids a pre-dawn Saturday drive. Two nights (Friday October 2 and Saturday October 3) is the pattern most traveling families use for this event.

6. Lodging

Housing requirement: SCUFC has not published a stay-to-play policy for the Carolina Cup. We checked the official tournament page, the host club site, and the registration portal, and found no stated hotel requirement or approved-hotel list. **Pending Confirmation** — we will confirm directly with the tournament director (Tripp Miller, tripp@scufc.com) and update this section. Our recommendation is to book a cancellable rate now rather than wait.

Where to stay

We look at two areas. **Harbison** (northwest Columbia, just off I-26) is the closest cluster to the venue with real availability. **Irmo** itself is closest of all, but was **80% booked out** for October 2–4 when we checked.

Important: Rates above were pulled live on September 13, 2026 for two nights (October 2–4), two adults and one child, and are subject to change. Driving distances were verified independently by routing against the actual venue address at 1009 Bickley Road — not copied from a tournament portal. We recommend booking a free-cancellation rate now and re-checking before you travel.

7. Weather & Heat Planning

We are nearly three weeks out, so a daily forecast is not yet meaningful. What follows is what early October has actually looked like in Columbia over the past ten years, so families can plan clothing and hydration sensibly.

Typical early-October conditions in Columbia

Afternoon high Around 80°F on average — has reached 95°F

Morning low Around 63°F — noticeably cool at the first game

Rain	Roughly a 1-in-6 chance of measurable rain on any given day
Sun	Strong — open complexes with limited shade
Best games	Morning games are meaningfully cooler than afternoon

What this means for packing

This is a two-wardrobe weekend. Bring the heat gear — water, electrolytes, sunscreen, cooling towels — but also bring a jacket or warm layer for early mornings and a rain shell, because October in the Midlands is not August. Start hydrating the day before travel.

Based on ten years of recorded daily observations for Columbia, SC. **Check the actual forecast around September 28–30** for reliable day-by-day conditions. Source data: Open-Meteo historical archive (2016–2025).
